TEQIP - III SPONSORED
One - Day Seminar on
Effective Teaching and Learning in
OBE & Life Skills for Engineers
9th March, 2019

Organized by
MECHANICAL ENGINEERING DEPARTMENT
HKE Society’s
Poojya Doddappa Appa College of Engineering
(An Autonomous Institution, Affiliated to VTU Belagavi)
Kalaburagi - 585 102 - Karnataka - www.pdaengg.com
About the Institution

Poovya Doddappa Appa College of Engineering, Kalaburagi is one of the oldest and premier institute of Karnataka, established in 1958 by Late Shri Mahadevappa Rampure, Founder President of Hyderabad Karnataka Education Society, Kalaburagi. PDACE is an autonomous institute and affiliated to Visvesvaraya Technological University, Belagavi, Karnataka. It is the seed institute of HKE Society; PDACE has grown phenomenally and the institute has celebrated its golden jubilee year in 2008. PDACE has acquired autonomous status in 2007. The college is now offering 11 UG courses, 10 PG courses and has 12 recognized research centres offering Ph.D. Programs under various engineering disciplines. PDACE has well qualified faculty and state-of-art infrastructure to cater to the academic needs of engineering education aspirants. It is one among 14 institutions in the state funded by TEQIP Phase I & II by MHRED. At present college is selected for TEQIP-III as mentor institute for BIET, Jhansi, UP. PDACE is accredited twice by National Board of Accreditation, New Delhi. Institute is awarded with Bharatiya Vidya Bhavan National Award for being the best performing college for the year 2017.

About the Department

The Department of Mechanical Engineering is one of the first branches to start under the banner of HKE Society’s PDA College of Engineering, Kalaburagi. It is accredited twice by the National Board of Accreditation (NBA), New Delhi. It offers B.E. (Mech Engg), M.Tech. (Thermal Power Engineering), M.Tech. (Production Engineering). It is a recognized research center and has produced eight doctorates. Presently, 14 Research Scholars are pursuing their PhD program in various areas such as Development of metal matrix composites, welding engineering, Burnishing of Ferous and Non-ferous Components, computational Fluid Dynamics (CFD) and Alternative Fuels for IC Engines. The Department houses 11 laboratories and a central workshop which are well equipped, thanks to TEQIP phase I & II, to impart practical knowledge and technical skill to UG/PG students as well as provide research facilities to research scholars. The department has organized National Conference in 2012 and organised a number of faculty development programs (FDPs), Staff Development Programs & student training programs. The Alumni of the Department who have spread across the globe and attained high positions are the main asset of the college and are bringing laurels to the department in particular and their Alma mater in general. The department has published/presented 100 plus papers in International Journals and conferences.

Important Dates

- Last date for receiving filled-in registration form along with DD - 3rd March 2019.
- Intimation regarding selection (through email only) - 4th March 2019.

About the Seminar

Outcome based education in an educational theory that bases each part of an education system around goals (outcomes). By the end of the educational experience each student should have reached the goal. Students will understand what is expected of them and teachers will know what they need to teach during the course. India has become the permanent signatory member of the Washington Accord (Hence the seminar is aimed to educate the students and faculty about OBE by eminent resource persons).

OBE is being adopted at a fast pace at Engineering Colleges. It is considered as a giant leap forward to improve technical education in India and help Indian Engineers compete with their global counterparts.

Who Can Attend?

- Faculty from academic institutions.
- UG/PG students and Research Scholars.

Registration

Interested students / faculty can apply through duly filled-in Registration Form attached with this brochure along with DD drawn in favour of “The Principal, P D A College of Engineering” payable at Kalaburagi. Scanned copy of registration form with complete information and DD should be sent to Prof. S. S. Patil, Assoc. Professor, Department of Mechanical Engineering, PDA College of Engineering, Kalaburagi and to be intimated on sspatilgb@yahoo.co.in by the due date.
